1. Comment. Finow airfield is occupied by the headquarters of a fighter division and two fighter regiments, which are equipped with an average of 44 to 46 MiG-15s. Aircraft numbers 1089 and 2465 are reported for the first time. No 2463 was previously observed in Neuruppin.

25X1A

26 Comment. The information that the inner walls of shraphelproof circraft revertments were lined with concrete slabs was received from other airfields. According to a previous report, 22 cars with concrete slabs were dispatched from Ruedersdorf to Finow between 27 and 31 October 1952.
